Annual Pass Holders and Interested Parties:

HAPPY NEW YEAR!!

Thank you once again for another successful golf season at The Golf Course at Heather Ridge. The Golf Course at Heather has always been proud to deliver superior service, provide a fun and challenging game to all levels at a fair value to our customers. This will continue to be our driving goal and focus.

As you see on a global scale, we also continue to see dramatic price increases for labor, supplies, irrigation, etc. resulting in cost increases for us to deliver the services in which we pride ourselves. Over the past couple of years, it has become clear that there is a new and apparently permanent reality relative to the cost of goods and services.

With that being said, we find ourselves in the situation of increasing an unavoidable price increase of \$150 up from the 2022 year. The 2023 Annual Pass Holder rate is \$2,750 for the calendar year.

In 2022, we completed more cart paths, planted trees, relief station, club house aesthetics, and improved enhancements throughout the golf course. These new enhancements have improved the overall golf experience. We will continue to invest in additional accommodations in 2023. With which I am sure you will be pleased.

The Annual Pass can be paid for any time prior to your first round of golf in 2023. We accept checks, credit cards and Men's club winnings.

Current Pass Holders, your Annual Pass Holder agreement has been filled out and is at the Pro Shop. I have also enclosed the 2023 Annual Pass agreement.

Once again thank you for your loyalty and continued support.

Sincerely,

Audrey Romero
